THE LAST WORD

In stillness be as quiet as a fish in the deep, in action be as swift as an otter. Withdraw like a mountain in motion, advance like a rainstorm. Strike and crush with shattering force; go into battle like a tiger. Press enemies and contain them; lure and entice them. Confuse them and seize them; be humble to make them proud. Be familiar yet distant; weaken them by lending strength. --Zhuge Liang, Records of the Loyal Lord of Warriors.
